

**Partners in  
Excellence**

## Product Division

Global/Airways utilize every means of air, ground, and ocean transportation available to meet your every service requirement. Whether your needs are standard air service or very time and service specific, you can trust Global/Airways with all your shipping needs. Our operations staff of knowledgeable professionals is available 24 hours a day, 7 days a week to provide complete solutions for transportation needs. A single call to our 800 number gives you complete access to all our services including quotes, status reports, bookings, and service inquiries. Everything you need to keep you ahead in the game.

At Global/Airways we have the flexibility to establish a customized shipping program to suit your specific needs. Each account is managed by a special account executive which works one-on-one with you to create a program with such services as continuous tracking, EDI, daily, weekly and monthly reporting of shipping information based upon your needs, as well as a host of other special options within our broad base of capabilities.
